

# OBO DATAA GATHERING – BAKKEN

This is weekly Request we have to raise request on first working day of week and complete it on last working day of the week, eventually we have to send Acknowledgment and Completion mails.

1. Open the PDS WELL DATA EXCHANGE, select XTO Energy, go to my well data and click on Export to CSV (downloading wells list).

2. Open the Exported CSV File and Filter the State, Operator and Latest file count columns.
  - In State Column Select only Montana and North Dakota States.
  - In Operator Column Uncheck only XTO Energy.
  - In Latest File Column select the date on which we want to work. Then Particular Date Well list will appear on sheet. After done with the wells of one date go to another date.
